Immigration bond (ICE bond) assistance

Georgia is the 5th state by number of people held in ICE detention. The median bond in 2026 is $7,500, and judges are increasingly denying bond.

Before you reach out

01 The immigration court at Stewart grants bond less often than the courts in Atlanta. Having a lawyer at the hearing is especially important.

02 Have the detainee's A-number (9 digits), the name of the detention center, and the bond amount ready.
